

# TensionLite Bannerstands

Nothing beats the look of high quality photographic printing. We also offer slip-over pillowcase styles in the TensionLite Section.

Our TensionLite Bannerstands have excellent visibility with ultra-high quality image reproduction. Useful in a number of environments. 24", 33", 39" and 48" widths and 79" high.

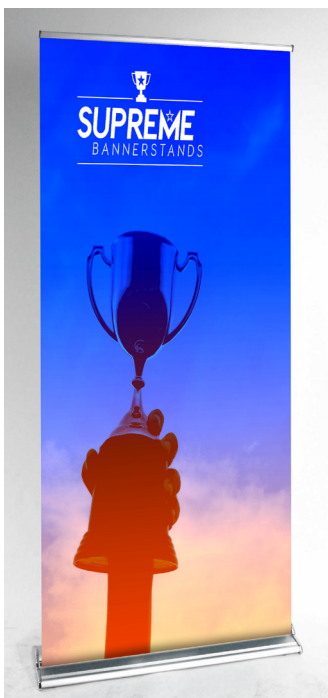

All Bannerstands are printed on quality polyester material similar to photographs including our 33" width, \$195 budget model.

**\$195**

Our mid-level Axis Bannerstand is 33" wide x 79" high and features a new upgraded base.

**\$205**

The heavy-duty Supreme Bannerstands features slick-brushed aluminum and chrome styling.

**\$425**

**Two-sided Bannerstands**

are great for inline, island booth spaces, lobbies and retail environments.

TensionLite Custom Modular displays come with a carry bag and a lifetime limited hardware warranty.
