

## ENTRANCE ARCHES

# TensionLite Plus

### ARCH Design 3

20' wide x 11 ½' tall, spans 19 ½' wide x 8' deep.

TensionLite Plus Entrance Arches add architecture and design to any event or interior space! Create and define a stunning entryway, focal point or a stage set at your next trade show or event.

TensionLite Plus Entrance Arches combine pillowcase style stretch fabric graphics with curved aluminum tube frames; these super structures are made in North America and collapse to a fraction of their size. Custom sizes also available.

### ARCH Design 6

17' wide x 12 ½' tall, spans 17' wide x 5'4" deep.

\*Monitor not included.

TensionLite Plus structures are made in North America and a limited lifetime hardware warranty.

## BACKLIT TOWERS

# TensionLite Plus

Mix and match the TensionLite Plus line of towers to add architecture and drama to any event or interior space. Cylinder-shaped, Rectangular-shaped and Shield-shaped towers come in 12', 10' and 8' heights and 3' square/diameters at the tops and bottoms. They combine the latest developments in fabric printed technology with aluminum tube frames to add dimension, décor and sculpture to any event, stage set, trade show booth or interior space. Custom sizes also available.
