DesignerLine Lite Assembly Design 8

Monitor Kiosk

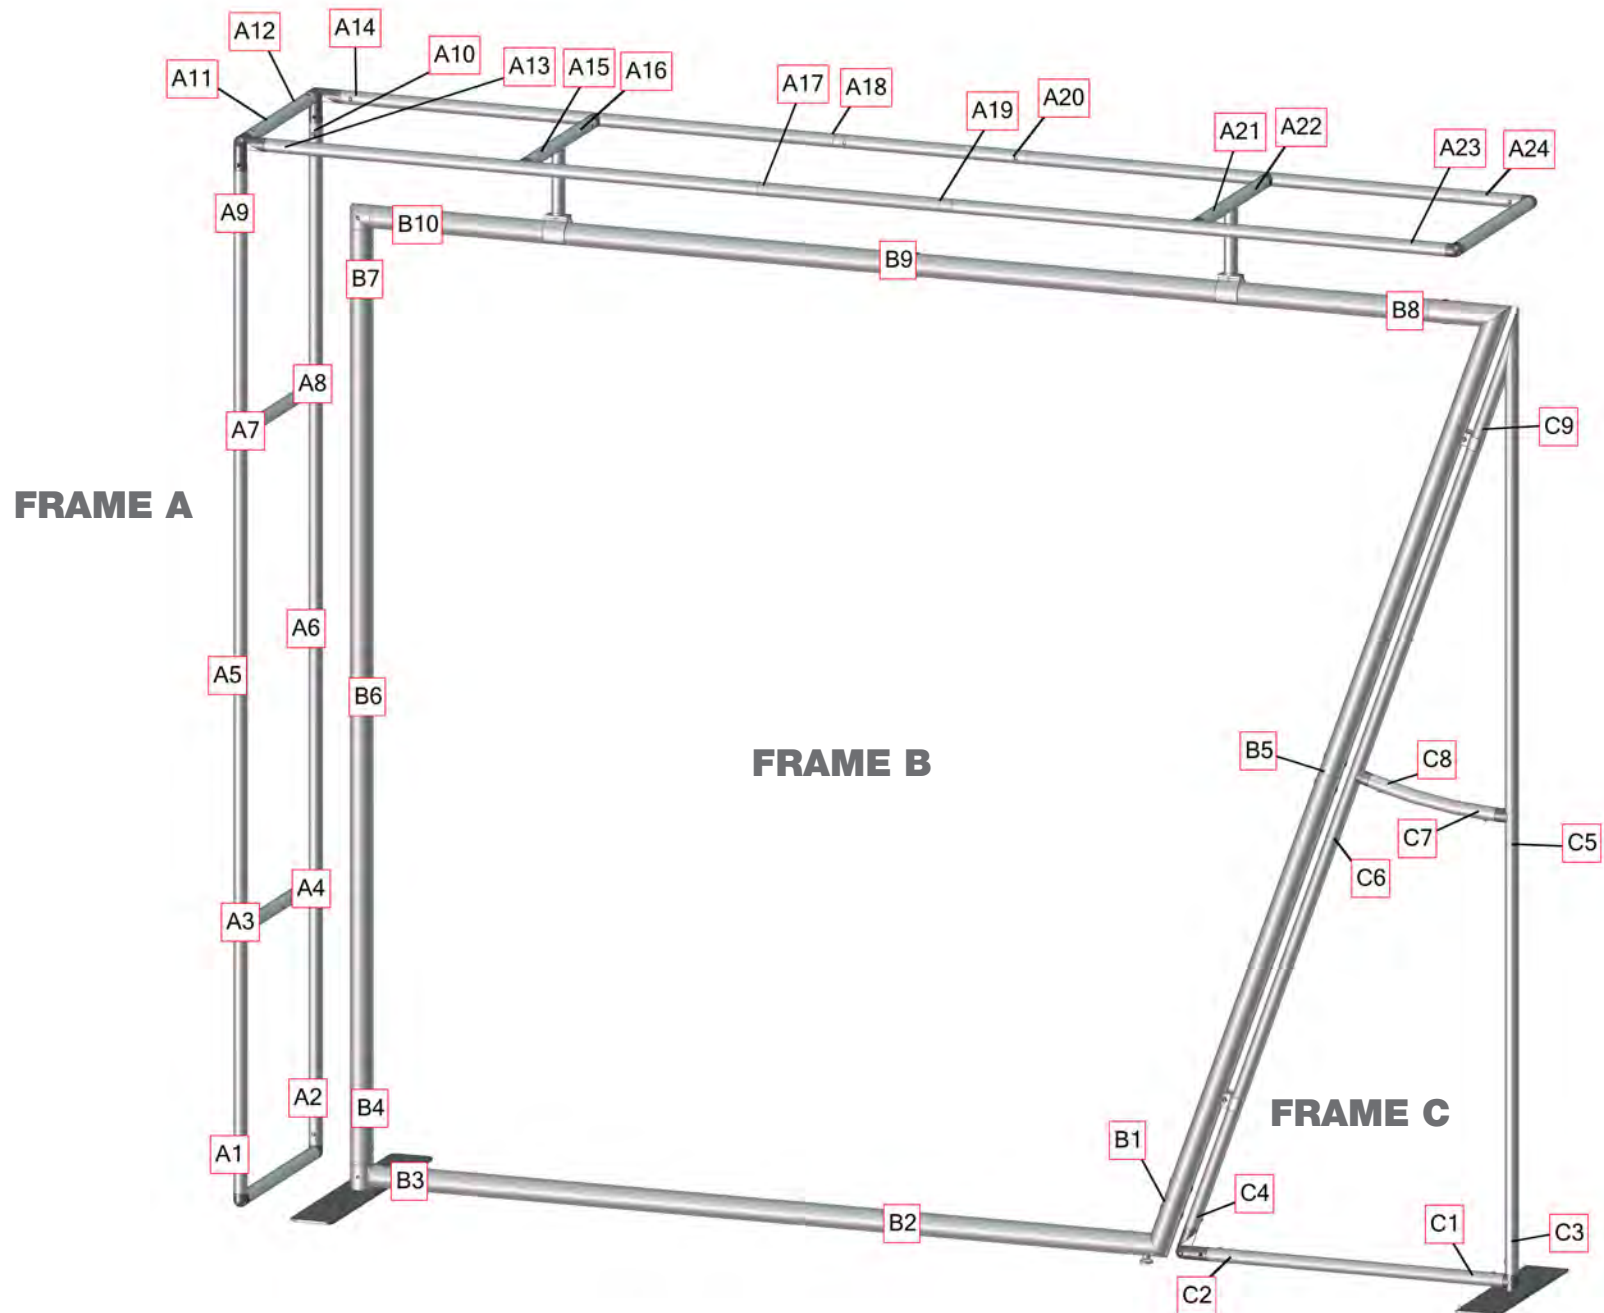

Included In Your Design

Graphics and Hardware

Assemble the Frames

Frames are labeled A, B and C and labeled in sequential order

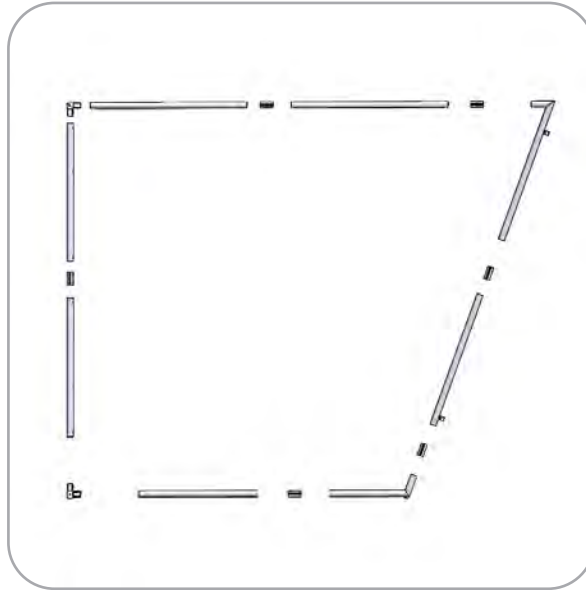

DesignerLine Lite Assembly

Step by Step

Step 1.

Join the sequentially labeled tubes for each of three frames

Step 2.

Slip the pillow case graphic over the frame and zipper at the bottom.

Step 3.

Attach the foot to the bottom of the frame.

Assemble the Canopy Frame

DesignerLine Lite Monitor Stand Assembly

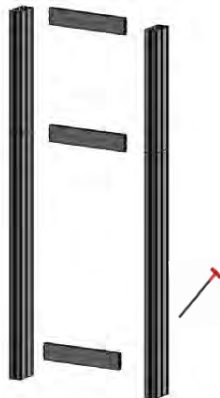

Step 1.

Connect each two piece vertical

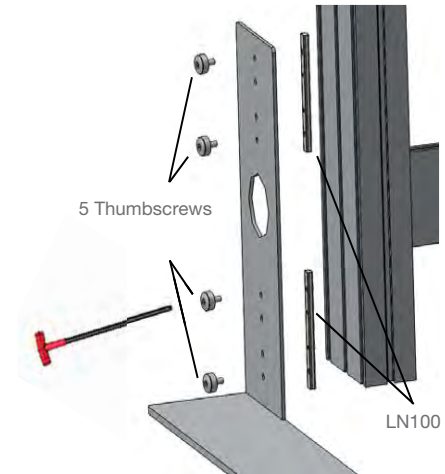

Step 2.

Connect the two sides with three horizontal bars

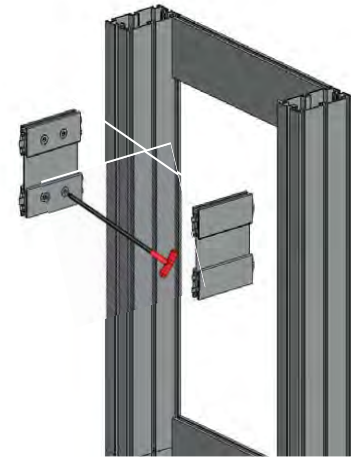

Step 3.

Attach the feet with Thumbscrews

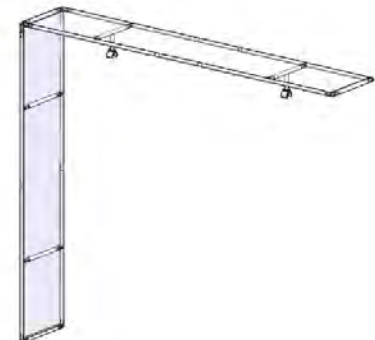

Step 4.

Use the built-in lock connector to attach the brackets to the verticals

Step 5.

Slip the pillowcase fabric graphic over the frame and zipper it up on the back

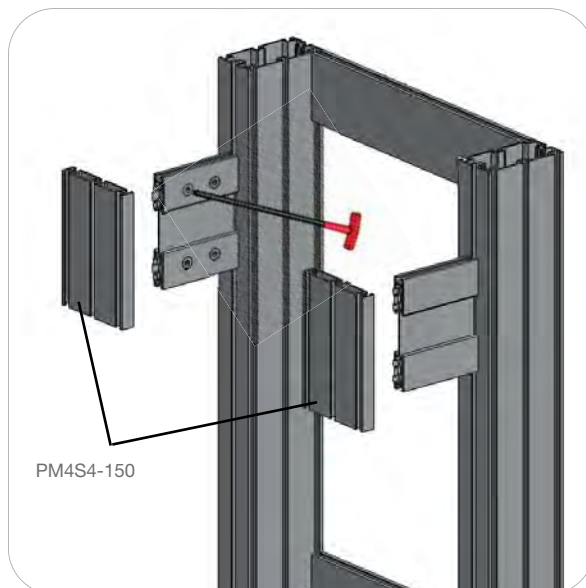

Monitor Stand Assembly

(continued)

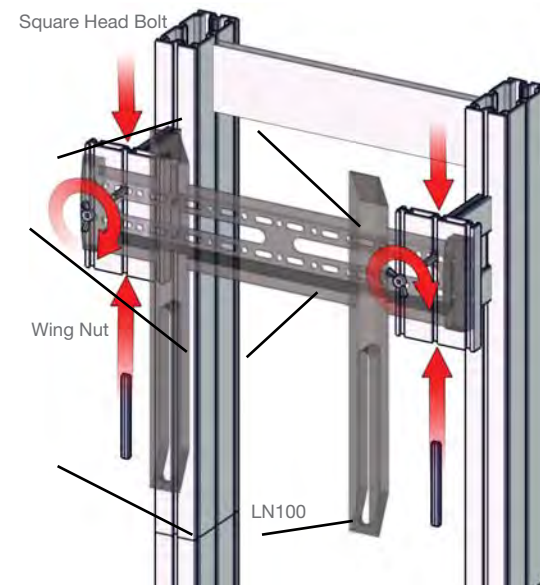

Step 6.

Use the built-in lock connectors to attach the monitor brackets

Step 7.

Place the monitor stand up against the back of the display so the brackets come through the provided holes. Attach the actual monitor bracket with wing nuts

Step 8.

Setup is complete.
