

Custom Fusion Plus 20x20 Design 5

TensionLite Design provides an unparalleled dynamic that elevates and accentuates a message and brand, but also maximizes the return on tradeshow investment. A fusion of FORM, FABRIC and FUNCTION, these kits combine organic and architectural shapes with state-of-the-art zipper pillowcase dye-sublimated fabric graphics to create unique, dynamic and funtional island space.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

features and benefits:

- 20' x 20' island exhibit
- 50mm aluminum tubing w/ heavy-duty spigot connectors
- Easily incorporate monitors and AV into the support structures to add multimedia
- Laminate counter with UV printed slat walls provides a welcoming reception area and lockable storage
- Kit includes: fabric covered tower centerpiece, zippered white fabric columns, laminate counter, three monitor mounts and 1 woodcrate
- Lifetime limited hardware warranty against manufacturer defects
